Customer Reviews

I HAVE OWNED A CONTRACT CLEANING BUSINESS FOR THREE YEARS AND HAVE ALWAYS FOUND MYSELF DOING THINGS THE HARD WAY BEFORE LEARNING THE EASY WAY. THIS BOOK IS WONDERFUL IN SAVING TIME AND MONEY ON MAKING MISTAKES IN YOUR BUSINESS.

I HAVE OWNED A COMMERCIAL CLEANING BUSINESS NOW FOR ABOUT A YEAR AND HAD SOME QUESTIONS ABOUT WHERE I NEED TO BE AND HOW TO GET THERE. THIS BOOK IS A MUST FOR SOMEONE STARTING OUT AND FOR SOMEONE WHO HAS SOME EXPERIENCE IN THE BUSINESS BUT NOT ENOUGH TO MOVE FOWARD. IT IS EASY TO

READ AND YOU WILL FIND SOME GREAT HINTS ON HOW TO SUCCEED IN JANITORIAL BUSINESS.

Mr. Kravitz,I just purchased your Janitorial Bible from .com, and want to let you know how much I appreciate the book. I've owned and operated a small, modest residential cleaning service for the past 10 years, with an outstanding record. I recently made the decision to expand into commercial cleaning. I am in the beginning phase of my business and your book is very informative and inspiring. Thank you so much.Sincerely,Connie W.

I was very pleased with the content of this e book. I tried starting a janitorial years ago and it failed. I purchased this book when I became laid off and it really helped me learn the correct way to do things. For the price I would consider it. Everybody will learn something from reading this.

Precise and to the point. The author gave an indepth analyses of the janitorial business from his point of view. Mr.Kravitz did a good job in explaining how to value a janitorial company in an event you decide to sell your company.

I'm so impressed with Mr. Kravitz' details, advice, encouraging words and the forms were perfect! I'm new at owning my own house cleaning service and I can honestly say that this was the best book for me! Thank you Mr. Kravitz, you have helped me in my fresh start.

The Janitorial Contractors Bible was a publication we had when we started our small cleaning business. We loaned it to someone and lost a very valuable tool that gave us great suggestions in getting the edge with our competition. When we saw it on we jumped at the opportunity to once again own this great book. Thank you !

Well written; contains excellent information on the janatorial contracting business. A must buy for somone thinking of investing in this field, or for someone who wants to learn the ropes.
