Customer Reviews

I havent even finished reading it yet and it has changed aspects of my life for the better! Get this book. I enjoy the exercises that i have to do while going through this book. I feel like im talking with an old pal while reading! Awesome read! The author is so genuine and honest!

If you struggle to find motivation or can't find success in anything you do, this book is definitely for you. This is one of the better self help books I've read recently!It's well written, and the author comes across as very inspirational. After reading the book I felt like I could do almost anything!

This book showed me different ways to approach certain circumstances. The way I look at life it's self . Almost every chapter there was always something us humans can relate to in our daily lives . And overall how to be the best version of ME. Best read in months and will re read again . Thank you

I have only read a couple of chapters of the book, because you have certain task to follow and I am enjoying that much I don't want it to end. This book is truly amazing and well worth the read and one day I hope to meet the author 'Daniel Chidiac' you are a true inspiration and I will change my life to be happy and better myself because of this book.

Anyone will benefit from the lessons this book has to offer. It's a mind and eye opener to how you live and the daily decisions you allow yourself to make either consciously or subconsciously.

Wow! never felt as connected to the author before. He writes in a way that I relate to and easy to understand. He covers many topics with great detail. He backs up his claims with scientific research. I recommend this book to anyone that is in pursuit of a better life. He talks about the mind and how thinking in better ways can change your life. He talks about the soul and the body as well, giving us some tips on how to be healthier and fit.

I am going to DO really G-R-E-A-T things! Thanks to Daniel Chidiac Can you believe I have only finished reading Chapter ONE of his FANTABULOUS book "Who says you can't? YOU DO!...and already, I have hope and a sudden burning determination inside! Absolutely AMAZING! He truly IS motivating, inspiring, and way beyond skilled at opening my eyes to ALL this life and world have to offer â™| THANKS DANIEL! LikeCommentShare

The book is great and I have read a few self help books, this consolidates many things and it is so practical.....great book
