Customer Reviews

This collection of sheet music contains many of the more familiar and not so familiar songs from this genius of American popular songs. If you sing or play the piano, this collection is a must have for your piano bench. The enjoyment is non-stop.

There are too many wonderful songs, each a treasure, to mention them all. It is enough to say that the best from Berlin's movie musicals are included here. Among the many are "Sisters" and the title song from White Christmas, "Top Hat, White Tie and Tails," "Cheek to Cheek," and "Steppin' Out." My friends and I have enjoyed this book so much I am ordering others in the Berlin series. A great collection of songs by one of America's greatest composers.
