Mastering German Conversation Modal Verbs: Unit 1 by Scott Brians

### **Synopsis**

Dear German language student, The Mastering German Conversation series is designed for students who - at a minimum - wish to be able to hold basic conversations in German. Our programs allow students to practice conversing in German to a much greater extent than what is possible in a classroom setting. The progression of the course starts with simply repeating set phrases, which anyone can do. Then, we steadily bring the student to a place where he can formulate complete and accurate sentences in real-time conversation on his own. In this unit, we focus on these modal verbs:  $k\tilde{A}f\hat{A}\P$ nnen  $d\tilde{A}f\hat{A}$  rfen  $m\tilde{A}f\hat{A}\P$ gen  $m\tilde{A}f\hat{A}$  ssen sollen wollen werden sich lassen We continue to build your vocabulary in travel and shopping. We also work on placement of up to three verbs in one sentence.
