# What Safety Leaders Do - - The Insider's Handbook For Safety Leadership Tips, Tactics, Secrets & Ideas

# **Synopsis**

Today there is a procedure for everything that is important. Yet, more than 99% of groups fail to have a road map for safety leadership. The reason is that leadership is different. While most of those other procedures are â ^one size fits all,â ™ safety leadership is not. Each team, work group, and company has a different culture, history, exposures and corporate structure which means there isnâ ™t a cookie cutter mold to safety leadership. To be successful, each organization must customize their program to fit their unique organization. To effectively â ^customizeâ ™ your companyâ ™s safety leadership program, you first need access to all of the cutting edge leadership tactics, tips and secrets - - which is exactly what this book provides! Then, you can pick the ideas that are right for your group; putting proven methods to work for you - - to get the results you have always aimed to achieve.

## **Customer Reviews**

ok

A good basic overview. Some practical suggestions, a lot of "common sense" a few new ideas.

Practical and straightforward. Well written and employable to read. Recommend for all safety professionals. Well worth the price, enjoy the book.

Wonderful and well researched.
