Customer Reviews

I was lucky enough to find this book for free, and I'm so glad I did. It helped me considerably train our lab. We've been putting the advice to practice and implementing the steps to house train and to stop the barking. If you have a young puppy download this book right away and get started right away before bad habits begin. The tips mentioned in the book are applicable to all breeds of dogs. The training methods will definitely shape the dog in a better way. Puppies should come with this book.

Train Your Puppy in 2 Weeks: 30 Easy Steps to the Perfectly Behaved Pup by Kate Anderson is a well - researched, thoroughly explained approach to training your pup in an impressively short period

of time. Everyone who gets a new pup will want to make sure that it is well trained so it grows up to be a happy, obedient dog who will fit in well with your family and your life. The author provides a step - by - step guide to do just that. This very thorough book begins with the very basics - getting to know your pup, getting to know it's breed, and making sure its environment is properly set up. It then progresses to house training, table manners, separation anxiety, barking and bolting, and nipping and biting. In short, it covers everything you will have questions about as you raise your pup. And it does so in a conversational, easy to understand way. This book is a must read for anyone who has a new puppy or is contemplating getting one.

Easy to follow guide filled with great tips for new dog owners. Want to train your puppy within 2 weeks? It will not only make your life easier but foster a great bond between you and your pet. A great resource to get you headed in the right direction toward a successful puppy training experience. Recommend!

I have always wanted a dog but the thought of having to train it means I never went ahead and got one. I read this book when I visited one of my friend's home who loves pets a lot. After reading this book, now I am very interested to have a puppy in my own home as I feel I learnt a lot and gained the confidence I needed to know I could handle it. The tips mentioned in the book are applicable to all breeds of dogs. The training methods will definitely shape the dog in a better way. It is not just about training the dog to fetch something. It has much more than that. If you read and follow the book, I am sure you will become a perfect dog trainer within weeks!
