From Dead To Worse: Sookie Stackhouse Southern Vampire Mystery #8

Synopsis

New in the 'addicting' New York Times bestselling series featuring Sookie Stackhouse. After the natural disaster of Hurricane Katrina and the manmade explosion at the vampire summit, everyone's human and otherwise's stressed, including Louisiana cocktail waitress Sookie Stackhouse, who is trying to cope with the fact that her boyfriend Quinn has gone missing. It's clear that things are changing; whether the weres and vamps of her corner of Louisiana like it or not. And Sookie's Friend to the Pack and blood-bonded to Eric Northman, leader of the local vampire community's caught up in the changes. In the ensuing battles, Sookie faces danger, death, and once more, betrayal by someone she loves. And when the fur has finished flying and the cold blood finished flowing, her world will be forever altered. --This text refers to an out of print or unavailable edition of this title.

Book Information

Audible Audio Edition

Listening Length: 10 hours and 33 minutes

Program Type: Audiobook

Version: Unabridged

Best Sellers Rank: #104 in Books > Audible Audiobooks > Fantasy > Paranormal #106

in Books > Audible Audiobooks > Fantasy > Contemporary #454 in Books > Mystery, Thriller & Suspense > Mystery > Supernatural

Customer Reviews

This past year I began a reading project of the major vampire novels and stories, from John Polidori's THE VAMPYRE to Bram Stoker's DRACULA to Richard Matheson's I AM LEGEND to Theodore Sturgeon's SOME OF YOUR BLOOD to more recent works. I had previously read various novels, including the Anita Blake series, which started promisingly but not only never lived up to its initial promise but regressed to embarrassingly awful pornography. In August of this year I decided to read Charlaine Harris's vampire series, which was originally known as The Southern Vampire Mysteries but eventually became better known as the Sookie Stackhouse Novels. Now, this is where

the story gets odd. Completely independently of my reading project I had heard about and planned on watching Alan Ball's new series TRUE BLOOD. I was a huge fan of SIX FEET UNDER and was anxious to see how he would handle a series dealing with vampires. A few days after I had ordered the first four Sookie Stackhouse novels I learn to my great shock that Ball's new series was based on the very same novels. It is the most serendipitous coincidence in my life as a reader. Because so many people have become aware of these books as a result of the TV series, a word about the differences between the two is in order. There are both definite similarities and some sharp differences between the two. The books focus much more on Sookie and less on the lives of the supporting characters, not surprising given that Sookie is the narrator in the novels. Sookie's narrative voice is for me one of the joys of the books and I miss that very personal perspective when I watch the TV series.
