Customer Reviews

This song book won't be a disappointment if you're intermediate to advanced intermediate. The songs are beautiful. I'm very happy with the selections and arrangements--not too easy like so many songs on sheet music are.

I love all the songs on this book and would strongly recommend it to anyone who plays piano. One of my best purchases ever!

This was my 15 year old Daughter's favorite Christmas Present. She already knew a couple of the songs so she is enjoying playing the others.

This is a great book. It has beautiful music that is easy to learn quickly. I play out of this book often, and recommend it to students.

Great music book for upper level students. Nice songs that are full and just a little challenging. I bought 4 books and all of my students love it.
